## PRESIDENTIAL EXECUTIVE ORDER

RE: ORDER ABOUT INTERIM GOVERNMENT FINANCIAL MANAGEMENT AND CONTROL

Considering that combining business or job, family, and services to Ambazonia is quite a herculean task we have been willing as a Government to allow for some reasonable delay periods in the execution of executive duties by our team of volunteers. However, this is not an excuse for the delays we have recorded so far since the Interim Government officially ordered for this very important audit exercise in the third quarter (in September 2018). Many excuses and challenges have been presented by the Department of Finance and Economy to the Acting President and Cabinet as reasons for the delays to conclude the audit and present our interim Government with last year's Financial Audit Report. The Ethics Commission was detailed to look into the matter for any ethical violation. This exercise is ongoing at this time. As a Cabinet, we manage such challenges internally and expect our oversight institutions namely, the Department of Performance and Internal Controls and the Ethics Commission to carry out necessary inquiries and submit reports with recommendations to my office.

Considering the need to urgently reassure Ambazonians; and close the 2018 financial year sooner than later with the required audit, and reinvigorate the confidence of our priced contributors, I hereby order as follows:

1. That the Secretary of State for Finance and Economy facilitate immediately the travel arrangement and accommodation of our Auditor(s) to the United States for a face to face exercise with all concerned departments to facilitate and fast-track the ongoing audit exercise of all departments of Government.
2. That the Auditor(s) should make arrangements to travel immediately to the United States for this patriotic duty to our Country. The Audit Report should reach the office of the President on or before the 28<sup>th</sup> of February 2019.

Copyright (2019). Interim Government

3. That the Secretary of State for Finance and Economy should finalize within seven working days the transfer of ALL accounts to the Treasurer General appointed by the Acting President since June 2018.
4. All 13 County Chairpersons, in consultation with their LGA global Administrators, to nominate or elect one qualified Finance Expert each to represent their counties in our newly constituted National Treasury Board.
5. The Secretary of State for Finance and Economy should ensure that all Paypal accounts, Cash APPs and online payment platforms are immediately and effectively transferred to the management of the National Treasury Board on or before February 28, 2019.
6. I will be back to address the People of Ambazonian, in person, on March 1, 2019 to update you all on work done and/or any further measures that may be deemed necessary to ensure greater transparency.

The Department of Planning and Internal Controls should ensure that all Treasury Board Members sign a Memorandum of Performance for Ambazonia. Those who fail the test of availability, efficiency and security compliance during quarterly evaluation exercises will be relieved of their positions as Board of Directors Members of our National Treasury.

This order takes effect immediately and should be communicated to all departments of the Interim Government and to ABC Amba TV.

DONE THIS DAY FEBRUARY THIRTEENTH IN THE YEAR OF OUR LORD TWENTY NINETEEN

Patriotically,

---

*H.E. Samuel I. Sako, PhD  
Acting President of British Southern Cameroons  
Federal Republic of Ambazonia*
