 30th October 2023

**REMOVAL FROM OFFICE**

Considering the long standing dormant status, the underperformance in departmental functions, the limited temporal availability and the unprofessional, unethical, malicious, deceitful, and unpatriotic conduct/utterances made to the detriment of the integrity and functioning of the Cabinet of the Interim Government (IG) of the Federal Republic of Ambazonia (FRA);

1

Acknowledging the persistent absenteeism from cabinet meetings/activities for several months while sabotaging the Interim Government behind the scenes with gossips, slander/falsehood, and backstabbing members of the cabinet, in vain;

Noting the reduced or non-existent compliance and performance with respect to the departmental delivery based on agreed mission statements;

Reiterating the valueless contribution in both the Department of Self-Defense and Security (DSS) and in cabinet team work engagements, in the prosecution of our Liberation Struggle

OF

the Deputy Secretary of State for the Department of Self-defense and Security (DSS),
